Federal Bureau of Prisons Occupational Training Programs Directory

INTRODUCTION

This directory is a combined listing of the variety of occupational training and advanced occupational education programs offered to inmates in the Federal Bureau of Prisons (BOP). These programs are listed alphabetically by institution within each of the six regions. Inmates interested in furthering their education and enhancing their employability skills may enroll. Some courses and programs may require inmates to meet specific prerequisites before they enroll in the class. This directory is updated annually.

Occupational training includes exploratory, marketable skill, and apprenticeship level courses. Exploratory courses require an approved, structured curriculum and provide inmates with an introduction to a "cluster" of related occupations. Marketable courses provide employment skills at the entry level for a specific occupational title or cluster of titles. Apprenticeship training prepares the inmate for the achievement of a journeyman's certificate from the U.S. Department of Labor, Bureau of Apprenticeship and Training. Inmates learn a skill trade under the tutelage of a journeyman level supervisor.

The BOP also offers Advanced Occupational Education programs which often lead to a one-year certificate or two-year degree in programs related to specific occupations/vocations.

Once inmates are designated to a BOP facility, they may want to discuss their education goals with their case manager and education representative to learn about the various educational opportunities. Designations to particular institutions are ordinarily not based on education preference alone.

For additional information, you may write to a specific institution or:

Federal Bureau of Prisons Occupational Training Programs Directory

Explanations and Abbreviations found in the directory:

Acronyms:	ADX	Administrative Maximum
	BOP	Bureau of Prisons
	FCC	Federal Correctional Complex
	FCI	Federal Correctional Institution
	FDC	Federal Detention Center
	FMC	Federal Medical Center
	FPC	Federal Prison Camp
	FTC	Federal Transportation Center
	ICC	Intensive Confinement Center
	LSCI	Low Security Correctional Institution
	MCC	Metropolitan Correctional Center
	MCFP	Medical Center for Federal Prisoners
	MFCI	Medium Federal Correctional Institution
	MDC	Metropolitan Detention Center
	USP	United States Penitentiary

Column 1 - Institution Identification Facility Code:

This column gives the institution facility codes.

Column 2 - Program Title:

These are the course titles for all occupational programs. Institutions are organized by region and listed alphabetically.

Column 3 - Location:

This column states whether the program is offered at the main institution (M), the camp (C) , or at both (B) locations. If the site is a complex, each separate facility will be listed as camp, low security level correctional institution (LSCI), medium security level federal correctional institution (MFCI), or United States Penitentiary (USP).

Column 4 - Gender:

This column is self explanatory.

Column 5 - Public Works/Community Service Projects:

This column indicates whether the program includes public works or community service projects.

Column 6 - Supports UNICOR Operations:

This column indicates if the program skill instruction or live work production supports Federal Prison Industries (UNICOR) operations.

Column 7 - Completion Skill Level:

This column indicates the completion skill level and if a degree, certificate, or vocational Associate of Arts (AA) or Associate of Science (AS) Degree is offered to the inmate. Exploratory programs are designed to provide an introduction to a "cluster" of related occupations. Marketable certificate and AA/AS degree skill programs provide training to at least the typical entry level for a specific occupational title or cluster of titles.

Column 8 - Program Duration:

This is the estimated number of hours (preferably days, weeks, months) actually necessary for a student to complete the program.

Column 9 - Accreditation/Certification/D.O.T. #:

Some programs are accredited by education organizations outside the Federal Bureau of Prisons. Any marketable program that's not accredited and/or certified by an outside organization is required to have a Trade Advisory Board (TAB). The TAB includes experts from the community who oversee the quality and technical content of the program.

Apprenticeship programs are registered with the US Department of Labor, Bureau of Apprenticeship Training (BAT). A Dictionary of Occupational Titles number (D.O.T. #) is given for apprenticeship programs. In some cases, acronyms are used to identify the accrediting agency:

Acronyms:

<i>ADDA</i>	<i>American Design and Drafting Association</i>
<i>ASE</i>	<i>Automotive Service Excellence</i>
<i>BOCES</i>	<i>Board of Cooperative Education Services (NY)</i>
<i>BAT</i>	<i>Bureau of Apprenticeship Training, US Department of Labor</i>
<i>CCC</i>	<i>Cumberland County College</i>
<i>COE</i>	<i>Commission on Occupational Education</i>
<i>CICS</i>	<i>Council for Independent Schools and Colleges</i>
<i>DOL</i>	<i>Department of Labor (US), Bureau of Apprenticeship Training</i>
<i>DOT</i>	<i>Directory of Occupational Titles</i>
<i>FPVTC</i>	<i>Fayette Plateau Vocational Technical Center</i>
<i>FWISD</i>	<i>Ft. Worth Independent School District</i>
<i>IEHA</i>	<i>International Executive Housekeepers Association</i>
<i>NCACS</i>	<i>North Central Association of Colleges and Schools</i>
<i>NEASC</i>	<i>New England Association of Schools & Colleges</i>
<i>NFPT</i>	<i>National Federation of Professional Trainers</i>
<i>NOCTI</i>	<i>National Occupational Competency Testing Institute</i>
<i>NRA</i>	<i>National Restaurant Association</i>

NWACS	Northwest Association of Schools, Colleges & Universities
OASAS	Office of Alcoholism & Substance Abuse Services
SACS	Southern Association of Colleges & Schools
SAUC	Southern Association of Universities & Colleges
SBVEV	State Board for Vocational Education of VA
TAB/TAC	Trade Advisory Board/Trade Advisory Committee
WASC	Western Association of Schools & College

Column 10 - Instruction Source:

This column indicates if the instruction is given by Federal Bureau of Prisons (BOP) staff or non-civil service contract instructors.

Programs offered in the institutions can be taught by contract instructors from local colleges, universities, and technical schools; or they can be taught by BOP staff.

Column 11 - Enrollment Prerequisites and Other Information:

Some programs have specific requirements the inmate must meet prior to enrollment:

Abbreviations:	H.S. Diploma	A verified high school diploma or equivalent.
	GED	General Educational Development (GED) credential.
	GED Enrolled	If the inmate does not have a high school diploma, concurrent enrollment and active participation in the GED program are required for continued participation in the occupational program.
	ESL	English-as-a-Second Language (English Proficient)
	GATB	General Aptitude Test Batteries
	UNICOR	Trade name for Federal Prison Industries
	DAP	Drug Abuse Program - Inmate program to educate and provide treatment for individuals with substance abuse problems.
	TABE	Test of Adult Basic Education

SABE	Spanish Adult Basic Education (Test)
ABLE	Adult Basic Level Examination
GMAT	Graduate Management Admissions Test
GRE	Graduate Record Examination
EDC	Education Courses
SOCAT	Student Occupational Competency Test
